Cookie & Privacy Statement

This is the Cookie and Privacy Statement for D8CEC CLG, accessible from <https://d8cec.ie>. To make this site function properly, we sometimes place small data file called cookies on your device. These cookies are downloaded to your computer to improve your browsing experience as well as other purpose, which are outlined in this document.

This Cookie and Privacy Statement describes what cookies are, what information they gather, why, and how they are being used by D8CEC. We will also share how to control and disable these cookies and withdraw consent to collect cookies. However, please know that these actions may downgrade some aspects of this site's functionality.

For further information on how we use, collect and manage your personal data and information, see our Privacy Policy.

What are Cookies?

Cookies are those small pieces of data stored in text files saved on your mobile device or computer when you visit a website. Cookies allow the website's server to record and store your actions and preferences, such as login information, user history, language settings, font settings, colour settings, and other display preferences, over a particular period. Cookies ensure visitors do not have to continuously re-enter their details or information whenever they revisit the site or surf between pages.

Cookies are used to remember your preferences for single visits through sessional cookies or multiple repeat visits through permanent cookies.

How we use cookies

Cookies are essential for our website to function optimally and enhance website performance for a better user experience. The website administrator(s) controls all cookies used on the site and grants third parties access for statistics and analytics purposes. Cookies are needed to remember to identify visitors and remember their site actions and online behaviours.

We use cookies for various reasons, which are explained in detail below. Please know that cookie-related information is not used to identify you personally.

How to control cookies

You can control cookies and/or delete cookies on your mobile device or computer and adjust your browser settings to prevent cookies. Users can withdraw consent to collect cookies on the website. You can also determine whether you want to agree to the site's use of cookies. However, doing this may cause you to repeat your preferences every time you visit the site manually, and some of the site's services and functionality may not work optimally.

Disabling cookies

You can disable cookie settings by adjusting the option on your browser settings (see your browser "help" for more details). However, please be aware that the act of disabling cookies will affect your visit's functionality and the use of this website and many others. Unfortunately, disabling cookies will usually result in an also disabling certain functionality and features of this site. In most cases, there are no website standard options for disabling cookies without completely disabling the functionality and features they add to the site. It is recommended that you enable cookies for optimal site functionality and service.

The cookies we use

Sessional Cookies

Sessional cookies are temporary cookies that are operational during your visit and expire when you close the browser.

Permanent Cookies

Permanent cookies store and retain your site preferences on your mobile device or computer even after you close the browser or your mobile device or computer.

Necessary Cookies

Necessary cookies allow the website to provide a better user experience when navigating the website, its services, and features. These cookies allow us to recognise if you have created and logged into an account to access site content.

Functionality Cookies

Functionality cookies allow the website to operate optimally, following your site preferences for future visits. These recognise your site username and customizations.

Analytical Cookies

Analytical cookies allow first party and affiliated third-party services to collect and store for statistical and analytical purposes on how our visitors use the website. While these cookies respect visitor's privacy and personal information, they optimize the user experience.

Account Cookies

These cookies will help us manage the signup and general administration of creating or opening an account. These cookies may be deleted when you log out but sometimes remain afterwards to remember your site preferences.

Login Cookies

We use login cookies to remember your Login details and prevent you from logging in every time you visit a new page or site. These cookies are often cleared when you log out to secure your account information and privacy and prevent access to restricted features.

Emails & Newsletter Cookies

This site uses cookies to offer newsletter or email subscription services and cookies and remember if you are already registered or subscribed to show specific notifications or features reserved for subscribed/unsubscribed users.

Orders-processing Cookies

We use cookies to store and remember your payment orders on our e-commerce or payment facilities for proper payment processing.

Survey Cookies

We periodically issue our users survey and questionnaires to provide interesting insights, helpful tools or understand their preferences or opinions more accurately. These surveys may use cookies to remember participants or to generate accurate results even after you change pages.

Forms Cookies

We use cookies to remember your details for future correspondence when you submit data through forms such as contact or comment details.

Site Preference Cookies

To provide you with a beautiful user experience and site interaction, we use cookies to provide the functionality to set your site preferences when you use it.

First-party Cookies

First-party cookies are the cookies explained above that are set by the website.

Third-party Cookies

In some cases, the website uses cookies provided by trusted third parties that serve content or render advertising and analytics services on this website. The following section explains the third-party cookies you may encounter while using this site.

- This site uses Google Analytics one of the most trusted analytics solutions on the global web, to understand how you use the site and ways to improve your site experience. As a result, these cookies may track your use of the site time spent on the site, and its pages to allow us to continue producing engaging content. For more information on Google Analytics cookies, we refer you to see the official Google Analytics page:
<https://developers.google.com/analytics/devguides/collection/analyticsjs/cookieusage>
- We periodically test new features and make subtle changes to our site's user interaction. Cookies may be used to provide you with a consistent experience on the site and understand our user has preferred optimization.

- We use cookies for social media buttons and/or plugins on this site to connect with your social network in different ways. These cookies also allow us to track social network users when they visit our site or share content using a tagging mechanism provided by those social media sites.

Amendments and Modifications

D8CEC CLG reserves the right to modify this statement and its terms as they relate to this website and services at any time, effective and in full force upon posting the updated version on the website and its services after that shall constitute your consent to such amendment and modifications.

Statement Acceptance

You hereby acknowledge that you have read this Cookies Statement and agree to all its provisions, terms, and conditions. By continuing to access and use this website and its services, you also agree to this Cookies Statement. If you do not agree to the terms and conditions of this Statement, you are not permitted to continue to access this website.
